APS-100-24 is a high power density, constant voltage LED driver. Class 2 compliant, it features an input voltage of 120VAC or 277VAC and an output of 24VDC. 96W / 4A maximum

SPECIFICATIONS

Input Voltage	120VAC or 277VAC, 50/60Hz
Output Power	96W
Output Voltage	24VDC
Output Current	4A
Efficiency	Up to 93% typical
Finish	Black
Material	Aluminum
Ambient Operating Temperature	-40° F to 122° F (-40° C to 50° C)
Inrush Current	Meets NEMA-410 requirements
IP Rating	IP20
Leads	8" each - 2 x 18AWG for AC input, 2 x 22 AWG for DC output
Warranty	5 Years, limited
Weight	0.4 lbs (181g)
Dimensions	W: 5.39" L: 1" H: 0.75" / W: 137mm L: 24.5mm H: 19.05mm
Certifications
